NOTES FROM THE WINEMAKER:

MÉTIER is an inviting, smooth wine with black cherry and plum aromas pouring from the glass. Flavors of bold dark fruits & charming notes of baking spice combine with a juicy midpalate and pleasantly firm, dry finish. Best paired in the company of family and friends, MÉTIER offers a balance of structure and approachability that can accompany any food.

8-10 days maceration on skins,

THE SUN-SOAKED COLUMBIA VALLEY

of Washington State provides ideal growing conditions for wine grapes, with dramatic swings in temperature from day to night. This natural phenomenon, known as diurnal shift, offers cool nights that conserve acidity, and intense sunny days that infuse bold, ripe fruit flavors. The MÉTIER label celebrates this distinctive fruit and all of the diligent hands in the vineyard and cellar that meticulously craft our wines.
