NOTES FROM THE WINEMAKER:

Bold and plush, the MÉTIER Red Blend offers generous fruit aromas of blueberries and black cherries. Rich flavors and lush structure combine on the palate with undeniable appeal. Fruit forward and accessible, lively and full of delicious flavor, this pleasurable, charming wine offers satisfaction to a wide audience.

8-10 days maceration on skins,
Aged in 8% new French oak

THE SUN-SOAKED COLUMBIA VALLEY

of Washington State provides ideal growing conditions for wine grapes, with dramatic swings in temperature from day to night. This natural phenomenon, known as diurnal shift, offers cool nights that conserve acidity, and intense sunny days that infuse bold, ripe fruit flavors. The MÉTIER label celebrates this distinctive fruit and all of the diligent hands in the vineyard and cellar that meticulously craft our wines.
